PROGRAM TITLE: NEWS 3 @ 5pm

TYPE: News

DATE OF BROADCAST: 2-15-10

DESCRIPTION: If the roads seem a little rough it's not just your imagination. Most road repairs in the valley are generally minor ones, but lately because of the wet weather, the repairs have not been so typical. The repairs that should have taken place have been put on hold, and gotten worse due to the weather. Crews say in the last two weeks they have placed approximately 38 thousand pounds of asphalt. That would be the equivalent of 900 potholes one foot in diameter and four inches thick.
